Eaton is a global technology leader in power management solutions that make electrical, hydraulic and mechanical power operate more efficiently, reliably, safely and sustainably.

Eaton, located in Peachtree City GA, is a leader in the Lighting solutions and controls industry. We are at the forefront in transforming the lighting industry and setting an unmatched standard for innovation and reliability with our multiple product applications, LED technology and IoT innovation.

We would like to invite our future Georgia Tech engineers to visit our Lighting Headquarters in Peachtree City GA to:
1. Learn about Eaton
2. Visit our innovation center
3. See the real life applications of engineering theory
4. Meet and greet with engineering leaders and more...

Event date: Monday, February 20th, 9:00 a.m. – 12:00 p.m.
